Luke Littler does it AGAIN. 🤯

He beat Gerwyn Price in style to win the World Matchplay.

Littler finished with a tournament average of 111.04 - smashing the previous record.

And he won it on the bullseye. Of course he did.

Mayo are All-Ireland champions for the first time since 1951, ending a 75-year wait for Sam Maguire.

It's the county's fourth All-Ireland Senior Football title, bringing one of Gaelic football's longest waits to an end.

The Chosen is live now.
2h •

We get it: 40 episodes is a lot to watch by the time Season 6 arrives.

But what about the classics? We're making it easy with monthly Watch Parties for you and anyone else you want to join. You'll kick off with a Season 1 catch-up global livestream event on Sunday, July 26th at 7 PM ET.

Here's what's coming:

- Two must-see (or must re-watch) episodes from Season 1
- The FIRST Season 6 Trailer
- An update about Season 7
- Special guest musician Tyler Hubbard (Florida-Georgia Line) to chat about something we're cooking up
- New goodies in our Gifts Store

We know the livestream hasn't started yet, but we already have a next step for you. After the Season 1 Watch Party, the new trailer, and a Chosen fan reunion, we want you to catch up on any of the Season 1 episodes you might've missed. (And encourage your fellow Chosen fans to do the same.)

So we'll see you right here Sunday, July 26th at 7 PM ET. Then, stream the first five seasons in full on Prime Video and "The Chosen" app.

On June 7, 1660, in Cotignac, France, an extraordinary event occurred...

Gaspard Ricard, a humble shepherd, wandered under the scorching summer sun. His flask was empty, and no stream or spring was in sight. Parched and weary, he collapsed onto the grass, overcome by thirst and despair, pondering his fate under the relentless heat.

Suddenly, an elderly man appeared before him. With calm authority, he said: “I am Joseph. Lift it and you will drink.”

Joseph was pointing to a large boulder nearby, a rock that Ricard knew he couldn’t lift by himself. Yet, he tried, and somehow he was able to lift the boulder with ease. Underneath it was a fresh spring of water.

Overjoyed, Ricard looked up to thank the mysterious stranger, but he had already vanished.

Ricard rushed to the village to tell everyone about the miraculous spring. Soon enough the spring became associated with countless miracles, both physical and spiritual, and a shrine was built at the location.

Jul 27, 2026 09:15:37

miracles, both physical and spiritual, and a shrine was built at the location.

The spring of St. Joseph in Cotignac has been a pilgrimage site ever since, and a nearby shrine was eventually combined with a separate apparition of the Blessed Virgin Mary and St. Joseph that occurred in 1519 under the title of Our Lady of Graces.

Christopher Nolan's The Odyssey is still ruling the box office, and audiences remain more than willing to spend nearly three hours among gods, monsters and extremely famous people in sandals.

The film is projected to earn $84.5 million domestically in its second weekend, dropping just 32% from its massive $124 million debut. By Sunday, its North American total should reach roughly $283 million.

Its $264.1 million worldwide opening was the biggest of Nolan's career, surpassing The Dark Knight Rises. At its current pace, The Odyssey could challenge that film's $1 billion career high.

Twenty-eight centuries later, Homer has finally become a summer blockbuster. That's what you call an epic run.

PAX SILICA IN PH

Aerial footage shows the proposed site of the Pax Silica AI industrial hub in New Clark City, Capas, Tarlac.

The Bases Conversion and Development Authority (BCDA) said around 1,620 hectares have been designated for the project, which aims to support the country's push into artificial intelligence, semiconductor manufacturing, and other advanced industries.

BCDA has denied claims that the project will deplete local water resources, saying the facility will use rainwater harvesting, storage, treatment, and recycling systems instead of drawing from nearby water supplies.

The government is also considering allowing foreign investors to lease land at the site for up to 99 years to encourage long-term investments.

HOW DID WE KNOW THE NAMES OF THE PARENTS OF THE VIRGIN MARY?

The names Saint Anne and Saint Joachim are not mentioned in the Bible. They come from an early Christian writing called the Protoevangelium of James (also known as the Infancy Gospel of James), written around A.D. 150.

Although this book is not part of Sacred Scripture, it preserves ancient Christian traditions about the birth and early life of the Blessed Virgin Mary. According to this tradition, Joachim and Anne were a devout Jewish couple who remained childless for many years. After fervent prayer, God blessed them with the birth of Mary, whom they dedicated to His service.

The Catholic Church does not regard the Protoevangelium of James as inspired Scripture. However, the Church has long accepted the names Joachim and Anne through Sacred Tradition, and devotion to them has existed for many centuries. Their veneration is reflected in the Church's liturgy, art, and the celebration of their feast on July 26.

Ultimately, whether or not every detail of their lives can be historically verified, Saint Anne and Saint Joachim are honored as the parents of the Blessed Virgin Mary and the grandparents of Jesus, reminding us of the importance of faith, family, and passing on the love of God from one generation to the next.

Saint Anne and Saint Joachim, pray for us.

Did you know that the Blessed Virgin Mary frequently visits the souls suffering in Purgatory?

According to a well-documented 19th-century account titled An Unpublished Manuscript on Purgatory (the recorded conversations of a French nun with the soul of Sister Mary Gabriel, who appeared from Purgatory between 1873–1890), the souls described Mary's visits with profound joy:

✅ "As to the Blessed Virgin, we see her in the body. She comes to Purgatory on her feasts and she goes back to Heaven with many souls. While she is with us we do not suffer."

✅ "The sight of her encourages us and this beloved Mother speaks to us of Heaven. While we see her, our sufferings are greatly diminished."

👉 The souls compared the immense relief of seeing Our Lady to a refreshing drop of water on their burning thirst—a moment of pure consolation amid their purification. On her feast days especially, Mary descends to Purgatory and often leads many ready souls straight into the glory of Heaven!

🚨 FRRD, UUWI NA RAW NEXT WEEK? 🇵🇭

Ayon sa talumpati ni Vice President Sara Duterte sa harap ng kanyang mga tagasuporta sa London, sinabi niyang excited na ang lahat dahil uuwi na umano si dating Pangulong Rodrigo Roa Duterte (FRRD) sa susunod na linggo.

Marami ang umaasang magiging malaking kaganapan ang kanyang pagbabalik sa bansa, habang ang iba naman ay naghihintay ng opisyal na kumpirmasyon at karagdagang detalye.

Remember when every TV station paused at exactly 3 p.m. for a prayer?

You were glued to the television, waiting for the next scene of your favorite cartoon, anime, or afternoon drama. Then, almost like clockwork, the program suddenly disappeared.

The screen faded into the image of the Divine Mercy. Soft orchestral music filled the room. A calm voice invited everyone to stop whatever they were doing and pray.

For millions of Filipinos, that wasn't a technical glitch. It was the Three O'Clock Prayer.

For decades, television stations across the Philippines paused their regular programming every day at exactly 3 p.m. to air the now-iconic prayer. It became such a familiar part of daily life that many Filipinos could tell the time simply by hearing its opening music.

The tradition began in the 1980s through the Divine Mercy "Say a Little Prayer" Movement based in Cubao, Quezon City. It encouraged viewers to spend a minute in prayer during what Catholics call the Hour of Great Mercy—the moment believed to be when Jesus Christ died on the cross.

Jul 27, 2026 10:50:16

viewers to spend a minute in prayer during what Catholics call the Hour of Great Mercy—the moment believed to be when Jesus Christ died on the cross.

The prayer called for peace, unity, and the forgiveness of sins, transforming an ordinary afternoon into a brief nationwide moment of reflection.

Its television presentation became instantly recognizable.

Viewers were greeted by the image of the Divine Mercy, scenes of families praying, and the words “Jesus, I trust in You” appearing on screen. The prayer was originally narrated by former radio personality and movement founder Bro. Don de Castro before becoming even more familiar through the voice of legendary ABS-CBN announcer Peter Musngi.

The emotional orchestral music was lifted from the 1965 Hollywood epic “The Greatest Story Ever Told,” making it one of the most recognizable pieces of music on Philippine television.

The Three O’Clock Prayer wasn’t limited to TV.

Catholic schools, shopping malls, offices, hospitals, and other public spaces also played the prayer over their public address systems. For one minute, conversations stopped, work slowed down, and many people quietly bowed their heads or made the sign of the cross.

Jul 27, 2026 10:50:22

For Batang ’80s and ’90s, it also became an unofficial clock.

It meant siesta was almost over, homework couldn’t be delayed any longer, or that your favorite afternoon show would return after a minute. Many children impatiently waited for the prayer to end, while others eventually memorized it after hearing it every single day.

As television evolved and commercial airtime became increasingly valuable, the daily prayer gradually disappeared from most major networks during the 2010s.

Yet for generations of Filipinos, hearing those opening notes is enough to transport them back to a simpler time—when, every afternoon at exactly 3 p.m., an entire nation seemed to pause together for one quiet minute.

Bunsod ng mataas na inflation, nabawasan ang tunay na halaga ng perang kinikita ng mga Pilipino. Paglalahad ni Senate President Sherwin Gatchalian, ang halaga ng P100 noong 2018 ay katumbas na lang ng P74 ngayong 2026.

Dahil dito, ipaprayoridad aniya ng Senado ang Ginhawa Bill na layong ibsan ang kalbaryong pinapasan ng mga manggagawa sa pamamagitan ng pagdaragdag ng take-home pay.

Sa ilalim ng panukala, hindi na rin magbabayad ng income tax ang mga kumikita ng P400,000 sa isang taon; tataasan din ang tax-free ceiling sa mga bonus; at aalisin ang mga buwis sa overtime pay, holiday pay, nigh-shift differential, hazard pay, at service change. OPINION
Eh hindi nahiya
"Eh hindi nahiya"– they weren't shamed – was also President Marcos' own honest assessment of the response to his message given a year ago during his State of the Nation Address (SONA), for the looters to have some shame, "Mahiya naman kayo."
The country faces a host of seemingly intractable problems, all calling for urgent responses. But because last year's SONA is remembered for the shame campaign, the most awaited part of BBM's report to the nation today is his update on what has been achieved so far in this area.
The public verdict – if we go by the surveys of the reputable pollsters – is that people are underwhelmed, mainly because those perceived to be the biggest fish are still swimming freely.
During the joint session today, July 27, 2026, the peanut gallery will be conducting a head count on who among the looters were actually shamed.

38 years ago, Judith Barsi was taken far too soon at just 10 years old 😔

Remembering Judith Barsi, the gifted child actress and voice actress who tragically passed away 38 years ago this July, at only 10 years old. Despite her incredibly short life and career, Judith displayed a remarkable talent that touched audiences through animation, movies, television, and commercials.

Some of her most memorable roles include:
• Ducky — The Land Before Time
• Anne-Marie — All Dogs Go to Heaven
• Thea Brody — Jaws: The Revenge
• Anna — Punky Brewster
• Bertie — The Twilight Zone
• Jennifer Matthews — Eye of the Tiger
• Kimberly MacDonald — Fatal Vision
• Laurie Beth Piper — Remington Steele
• Debbie Oppenheimer — St. Elsewhere
and many more!

Judith's two most beloved animated performances were released after her passing, but her warmth, innocence, and unmistakable voice helped make both Ducky and Anne-Marie unforgettable to generations of viewers.

Judith and her mother, Maria, tragically lost their lives on July 25, 1988. Although her promising future was taken far too soon, the joy she brought to audiences continues to live on through the characters and stories she left behind.

Rest in peace, Judith Barsi. Your beautiful voice and gentle spirit will never be forgotten. ❤️🕊️

Isang hapon ang dinuro duro ng pinay matapos syang pagbawalang magtapon ng basura sa hindi tamang tapunan (No littering) Bukod doon ay sinita rin ang pinay sa hindi pagssegregate ng mga plastic na basura (recyclable vs non recyclable segregation)

Ang knyang reaksyon sa pagsita ng matanda ay kumuha ng camera at ipilit na magtapon ng basura sa hindi tamang tapunan, vinideo nya rin ang knilang pagaaway, pinahiya nya ang mtanda sa video at sinabihan pa sknyang vlog na sakang na ang matandang hapon.

Samantala sknyang followup vlog ay imbes na mag sorry sa nagawa ay nagcelebrate pa ang pinay dahil namonetize na daw sya dahil nakakuha ng 300k views ang knyang ginawang tapon basura vlog, isang qualification ito ni Meta bago ka mamonetize.

This was during SONA 2013, when he was still a senator and I was still reporting for a different network.

Thirteen years later… Sen. Marcos is now President Marcos and I'll be reporting for **TV Patrol** later 😅

STATEMENT OF SENATE PRESIDENT WIN GATCHALIAN ON THE SUSPECTED IMPROVISED EXPLOSIVE DEVICE NEAR THE SENATE PREMISES
We condemn in the strongest terms this apparent attempt to sow fear near the Senate on the very day our institutions gather for the State of the Nation Address.
No such act of intimidation will distract the Senate from its work for the Filipino people.
I have directed the Office of the Sergeant-at-Arms to coordinate fully with the Philippine National Police and its Explosive Ordnance Disposal unit, which has already responded to the area. I thank them for their swift action, and I am relieved that no one was hurt.

'RETASO' FOR HER SONA LOOK

LOOK: Senator Imee Marcos turned heads with her SONA 2026 outfit, which she described as a reflection of the country's state—"gutay-gutay, hiwa-hiwalay, biyak-biyak, tira-tira."

The senator said her ensemble was made from scrap fabric, while her worn-out bag was decorated with mismatched earrings and photographs of her late father, former President Ferdinand Marcos Sr. #CDNDigital

'IKAW NA PINAKAMAGALING'

Naglabas ng saloobin si Senador Robin Padilla sa isang pagtitipon matapos ang umano'y mga banat sa kanya ng broadcaster na si Ted Failon, na ayon sa senador ay naging personal na.

“Kung banatan ako nitong si Ted Failon, akala mo hindi ko siya kaibigan. Sa totoo lang, namemersonal pa. Napakasakit isipin, alam naman niyang may asawa ako, babanatan niya ako ng gano'n. Eh di ikaw na pinakamagaling na lalaki kung gusto mo,” pahayag ni Padilla.

Nilinaw rin ni Padilla na ang paggamit niya ng salitang sinungaling ay pagsasalin lamang umano ng terminong perjury.

“Siguro kung ipapalandakan mo 'yan, sasabihin mong 8080 ako. Eh sana binalikan mo kung sino ang nagsabi noon. Ang nagsabi ng perjury si Senator Lacson. Sinundan ko lang. Sinabi ko lang na Tagalog ng perjury ay sinungaling,” giit niya.

Ayon kay Padilla, umaasa siyang magkakaroon sila ng pagkakataong makapag-usap ni Failon upang maipaliwanag niya ang kanyang panig sa naturang isyu.

‘PARANG LAGI NAMAN YATA SIYANG WALA SA PILIPINAS KAPAG SONA’

Inudyukan ni Palace Press Officer Usec. Claire Castro si Vice Pres. Sara Duterte na makinig sa State of the Nation Address (SONA) ni Pres. Bongbong Marcos ngayong Lunes, July 27.

“Obligasyon niya bilang Bise Presidente, kahit sabihin niyang spare tire lamang siya, dapat mag-isip din po siya kung paano makakatulong sa pamahalaan,” saad niya.

“Hindi po 'yung ‘di na nga nakakatulong, nakakabigat pa dahil sa mga ginagawang fake news o paninira sa gobyerno,” dagdag pa ni Usec. Castro.

PAANO KAYA KUNG SILA ANG MGA NANALO?

Paano kaya kung sa ilang mahahalagang sandali ng ating kasaysayan, mas sineryoso natin ang pulso ng mga estudyante sa UP, Ateneo, La Salle, at UST?

Paano kaya kung mas madalas nating naihalal ang mga kandidatong pinaboran nila: Miriam Defensor Santiago, Raul Roco, Dick Gordon, Gibo Teodoro, at Leni Robredo?

May malinaw na pattern sa mga pangalang ito. Kadalasan, pinipili ng mga komunidad na ito ang mga kandidatong may intellectual depth, policy seriousness, respeto sa institusyon, at kakayahang magpaliwanag nang lampas sa slogan, apelyido, at campaign jingle.

May mga graduate ng prestihiyosong paaralan na corrupt, mapagsamantala, at politically gullible. Marami ring Pilipinong hindi nakapag-aral sa mga unibersidad na ito ang mas matalino, mas mapanuri, at mas may malasakit sa bayan. Pero may halaga ang intellectual formation. Kapag maayos ang edukasyon, sinasanay nito ang isip na magtanong, kumilatis ng source, magbasa ng ebidensiya, makita ang butas sa palusot, at magduda sa kandidatong ang pinakamalaking puhunan ay apelyido, pa-

ng source, magbasa ng ebidensiya, makita ang butas sa palusot, at magduda sa kandidatong ang pinakamalaking puhunan ay apelyido, pa-cute, galit, o nostalgia.

Ang diploma ay walang kapangyarihang pigilan ang kasakiman. Pero ang disiplinang mag-isip ay proteksiyon laban sa pambobola.

Magkakaiba sina Miriam, Roco, Gordon, Gibo, at Leni sa ideolohiya, record, temperament, at political baggage. Ang common thread ay kaya nilang humarap sa policy, debate, at governance nang hindi lubusang umaasa sa dynasty, celebrity, showmanship, o manufactured rage.

May laman kahit patayin mo ang background music.

Matagal nang babala ng political philosophy na madaling maligaw ang democracy kapag hindi sinasabayan ng civic education at critical thinking ang karapatang bumoto. Sa tradisyon ng Socratic inquiry at sa critique ni Plato sa democracy, malinaw ang panganib ng demagoguery: kapag hindi sanay kumilatis ang mamamayan, madalas na hindi ang pinakamahusay mamuno ang nananalo. Ang umaangat ay ang pinakamahusay magbenta ng galit, takot, ilusyon, at pekeng pag-asa.

Doon nagiging talent search ang halalan, pero ang grand prize ay buong bansa. Medyo mahal ang premyo para sa maling hurado.

Kaya madalas ding puntiryahin ng red-tagging ang mga unibersidad, guro, estudyante, journalist, researcher, at organisasyong sanay humingi ng ebidensiya. Simple ang political effect: inililihis ang usapan mula sa argumento patungo sa paratang.

Sa halip na sagutin ang tanong, lalagyan ng label ang nagtatanong. Sa halip na ilabas ang dokumento, tatawaging komunista ang humihingi ng dokumento. Sa halip na kontrahin ang analysis, sisiraan ang analyst.

Kapag mahina ang argumento, label ang first resort. Tipid sa isip, busog sa propaganda.

Kaya nakalulungkot itanong: paano kaya kung mas madalas nating pinahalagahan ang mga kandidatong kayang magpakita ng record, humarap sa scrutiny, maglatag ng malinaw na polisiya, at mamuno nang may respeto sa institusyon?

Baka mas maaga nating napalakas ang mga ahensiyang dapat nagbabantay sa kapangyarihan. Baka mas mahirap sanang gawing negosyo ang political dynasty. Baka mas matatag ang public service laban sa patronage, historical distortion, disinformation, at personality cults. Baka mas kaunti ang pagkakataong ipinagpalit natin ang competence sa charisma, policy sa performance, at public service sa political inheritance.

Hindi magiging perpekto ang Pilipinas. Walang kandidatong may dalang magic wand, at walang diploma ang kayang mag-abolish ng corruption sa isang oath-taking ceremony.

Pero baka hindi rin tayo paulit-ulit na naghahanap ng tagapagligtas sa mga pamilyang ilang dekada nang bahagi ng problema.

Ang aral mula sa mga campus survey ay hindi na dapat mas mabigat ang boto ng may diploma. Dapat mas maraming Pilipino ang mabigyan ng parehong kagamitan para kumilatis: mahusay na edukasyon, malayang impormasyon, seryosong civic formation, at kulturang hindi ginagawang kasalanan ang pagtatanong.

Pantay-pantay ang boto sa demokrasya. Pero hindi pantay-pantay ang paghahandang ibinigay natin para protektahan ang botante laban sa kasinungalingan.

At habang hindi natin inaayos iyon, laging may kandidatong handang gawing negosyo ang kakulangan natin sa impormasyon.

IN PHOTOS | FSSPH Hope Ministry in Rizal Medical Center

As part of the celebration of the Feast of Saint Sharbel Makhlouf and its mission to bring hope and healing, the FSSPH Hope Ministry visited Rizal Medical Center, Pasig City last July 23, 2026.

During the visit, cancer patients received a blessing with the Holy Oil of Saint Sharbel, along with hope kits and meals. A Holy Mass was also celebrated at the hospital's Holy Family Chapel for the patients, their families, and the hospital staff.

Heartfelt gratitude to the Holy Family Chaplaincy of Rizal Medical Center for warmly welcoming the ministry and for helping make this meaningful visit possible.

Through the intercession of Saint Sharbel, may all who are sick find healing, strength, consolation, and renewed hope.

Saint Sharbel Makhlouf, pray for us!

'YOUR ROOM IS THE WAY YOU LEFT IT'

TV host Kuya Kim Atienza shared a look inside his late daughter Emman's preserved room and cherished belongings, which have remained untouched since her passing in October 2025.

"Your room is the way you left it, love. I spend time here, feeling your energy, spending quiet time. You are forever in my heart, dearest daughter, and your advocacy lives," Kuya Kim wrote.

Ang damit ko puros retaso, parang bansa natin gutay-gutay, hiwa-hiwa, biyak-biyak, tira-tira!
Ang bag ko kumupas na nga, luma na, puro tira-tira, may earrings na walang kapares at nilagyan ko rin ng mga litrato ng aking ama na walang katulad.

EXPECTATIONS NI REP. CO SA SONA 2026

Inaasahan umano ni Kabataan Rep. Renee Co na magiging tapat si Pres. Bongbong Marcos sa umano'y "failures" ng kaniyang administrasyon sa kaniyang State of the Nation Address (SONA) ngayong Lunes, July 27.

Kabilang na umano rito ang "failure" sa corruption drive ng Pangulo, at sa pagtugon sa education crisis at economic needs ng mga Pilipino.

"Sana magkaroon tayo ng honest conversation para 'yung mga panawagan ng taumbayan 'yun naman po ang lumitaw at ma-recognize," saad ni Rep. Co.

"I, Sister Faustina Kowalska, by the divine order, have traversed the depths of hell to convey the existence of souls and testify to its reality." (Diary 741)

Guided by an angel, I was led to the abyssal chasms of hell, a place of immense torment and unfathomable vastness.

The various forms of torture I witnessed include:

➤ The first form of torment is the profound loss of God.
➤ The second is the perpetual torment of conscience.
➤ The third is the certainty of an unchangeable fate.
➤ The fourth is the searing fire that penetrates the soul without causing physical destruction—a dreadful, purely spiritual suffering ignited by God's wrath.
➤ The fifth is the relentless darkness and suffocating odor, yet within this darkness, the damned souls and devils perceive each other and all the evil.
➤ The sixth is the constant presence of Satan.

Sister Faustina noted that the majority of souls residing in hell are those who rejected the existence of hell.

———————————————

St. Faustina's purpose in writing this was not to instill fear, but to serve as a warning and a call to embrace God's mercy. She concluded with a fervent plea: "Consequently, I pray even more fervently for the conversion of sinners. I incessantly implore God's mercy upon them. O my Jesus, I would rather endure agony until the end of the world, amidst the greatest sufferings, than offend You by the slightest sin."

With unwavering faith, I trust in You, Jesus! 🙏

Let this serve as a timely reminder to seek repentance, engage in prayer, and place our trust in Divine Mercy while there is still time.

#SONA2026 | NASAAN NA SI ZALDY CO?

Mahigit isang taon na mula nang umalis ng bansa ang dating kongresistang si Zaldy Co kasabay ng pagputok ng flood control scandal. Patong-patong na asunto na ang naghihintay sa kanya matapos ituro ng mga contractor na isa sa mga nagkamal ng bilyon-bilyong pisong kickback mula sa mga flood control project.

Hanggang ngayon, wala pa ring linaw kung kailan siya maibabalik sa Pilipinas para harapin ang kanyang mga kaso.

Abangan kung ano ang sasabihin ni Pres. Bongbong Marcos sa flood control issue sa kanyang ikalimang State of the Nation Address mamayang 3:15 p.m. live sa News5, One PH, at 105.9 True FM.

‘DUMATING NA TAYO SA PUNTO NA… MALAPIT NA ANG PAGHAHAIN NG KASO LABAN SA DATING SPEAKER’

Masakit pero tama para kay Pres. Bongbong Marcos ang planong paghahain ng Ombudsman ng patong-patong na kaso laban sa kaniyang pinsang si dating House Speaker Martin Romualdez.

“Hindi ako Pangulo ng aking pamilya. Hindi ako Pangulo ng aking kaibigan,” ayon kay Pres. Marcos Jr.

Nang-uuto na naman ang mga DDS blogger: isang dramatic poster, ilang “confirmed” na walang pinanggalingan, tapos sabay-sabay na ang “Tatay Digong is coming home.” Habang naghihintay ang followers sa eroplanong gawa sa Canva, humahakot sila ng engagement, views, at monetization.

Ginagawang negosyo ang pag-asa at produkto ang katangahan. Hindi nila mahal ang mga Pilipino. Kailangan lang nilang manatiling galit, sabik, at madaling utuin para tuloy-tuloy ang kita. Sa DDS content farm, bawat paniwala mo ay piso sa bulsa nila.

Cha Eun-woo, actor and member of the K-pop group ASTRO, was baptized into the Catholic Church in June 2026, his agency Fantagio confirmed. The ceremony took place in a chapel on the army base where he is serving South Korea's mandatory military service, and he took the baptismal name John the Apostle.

Korea's Catholic Church has a history unlike any other in the world. It was not planted by foreign missionaries. In the 1780s, Korean scholars studied Catholic writings brought back from China, believed what they read, baptized one another, and built a church that existed for years before a single priest ever set foot in the country.

The state answered with blood. Thousands of Korean Catholics were executed over the following century, among them Andrew Kim Taegon, the first Korean priest, beheaded in 1846 at the age of 25. In 1984, Pope John Paul II canonized 103 of them in Seoul.

A faith Koreans found in books, kept under persecution, and still choose today.

The 12-Year-Old Boy Who Chose Heaven Over Life

He was only 12 years old.

Most children his age dream about games, friends, and the future.

But he walked toward death with a smile on his face—because he refused to abandon Jesus Christ.

And the Church now calls him St. Louis Ibaraki.

Born in Japan during the late sixteenth century, Louis was a young Catholic layman and altar server. Christianity had spread rapidly through the country through the work of missionaries.

Then the persecution began.

Churches were destroyed.

Catholics were hunted.

Believers were arrested, tortured, and executed for refusing to renounce their faith.

Louis was just a boy.

Jul 27, 2026 16:22:33

Young in age—but not in faith.

facebook

Louis was just a boy.

Young in age—but not in faith.

When he was arrested with the other Christians, the authorities tried to break his resolve.

Part of one of his ears was cut off as a public warning to others.

The suffering was meant to fill him with fear.

It did not.

As the prisoners were forced to march hundreds of miles to Nagasaki, Louis remained joyful.

Not terrified.

Joyful.

People along the road were astonished to see a child walking toward his execution with such peace and courage.

Then came the offer.

Freedom.

Life.

All he had to do was deny Christ.

Jul 27, 2026 16:22:35

All he had to do was deny Christ.

But Louis answered with words that have echoed through the centuries:

“I do not want to live on that condition, for it is not reasonable to exchange a life that has no end for one that soon finishes.”

A twelve-year-old boy understood eternity better than many adults.

On February 5, 1597, Louis was crucified in Nagasaki alongside St. Paul Miki and the other 26 Martyrs of Japan.

Hanging on the cross, he did not cry out in despair.

He sang psalms.

He praised God.

According to early accounts, the martyrs joyfully invoked the holy names of Jesus and Mary, expressing their hope of Paradise even as they died.

The child at the altar.

The boy who would not trade eternity for safety.

Jul 27, 2026 16:22:39

The martyr who faced death with joy.

In 1862, Pope Pius IX canonized him with the other 26 Martyrs of Japan.

Today, St. Louis Ibaraki reminds us that holiness has no age limit.

Faith is not measured by years.

Courage is not reserved for adults.

And Heaven is worth more than anything this world can offer.

If you are afraid to stand for your faith…

If compromise seems easier…

If the world pressures you to abandon Christ…

Remember the twelve-year-old boy who walked joyfully toward the cross—

Because he knew Paradise was waiting.

St. Louis Ibaraki, courageous child martyr and faithful witness to Christ, pray for us. 🙏✝️

Dumating na tayo sa punto na ayon sa Ombudsman ay malapit na ang paghain ng patong-patong na kaso laban sa dating speaker [Martin Romualdez]. Masakit man sa akin ito, ngunit kailangan nating gawin ang tama. Hindi ako pangulo ng aking pamilya. Hindi ako pangulo ng aking kaibigan. Ako ay pangulo ng Pilipinas.

Carlisle & Finch is a manufacturer of nautical equipment in Cincinnati, Ohio. For most of its history, the company has focused on searchlights, especially for marine applications; variants of this design have also been used for navigation beacons by airports and lighthouses. The company is considered the first in the US to produce electric toy trains *(example pictured)*, introducing innovations such as using the rails to conduct electrical power to the cars. They were the first to manufacture and market trains in volume, which they did for about the first 20 years of operation. Other early products included electric generators; the earliest small models were intended to power train sets, but they later produced larger units. Gasoline engines for marine use were made under the Clifton Motor Works brand. They also produced electric-powered appliances such as clothes dryers. Since the start of World War I, Carlisle & Finch has concentrated on high-power lighting. ***(Full article...)***

No. 42 Trolley and Trailer, produced by Carlisle & Finch

Carlisle & Finch is a manufacturer of nautical equipment in Cincinnati, Ohio. For most of its history, the company has focused on searchlights, especially for marine applications; variants of this design have also been used for navigation beacons by airports and lighthouses. The company is considered the first in the US to produce electric toy trains *(example pictured)*, introducing innovations such as using the rails to conduct electrical power to the cars. They were the first to manufacture and market trains in volume, which they did for about the first 20 years of operation. Other early products included electric generators; the earliest small models were intended to power train sets, but they later produced larger units. Gasoline engines for marine use were made under the Clifton Motor Works brand. They also produced electric-powered appliances such as clothes dryers. Since the start of World War I, Carlisle & Finch has concentrated on high-power lighting. ***(Full article...)***

Ngayong na-subpoena na ang mga bank records ni Sara at kung mapapatunayan doon na may bilyon-bilyong unexplained wealth siya, at makukumpirma na tumatanggap siya ng drug money mula sa mga Chinese drug lords, susuportahan niyo pa rin ba siya?

Susuportahan niyo pa rin ba siya kung malalaman niyo at mapapatunayang kumikita siya sa droga?

In 1973, in a small convent in Akita, Japan, a simple wooden statue of the Blessed Virgin Mary (carved by a Buddhist artisan) came alive in extraordinary ways.

Sr. Agnes Sasagawa, a deaf nun, heard Mary's voice extraordinarily from the statue and received profound messages.

Mary then gave a sign for the skeptics. Between 1975 and 1981, the wooden statue began bleeding from a wound on its hand and later shed real human tears 101 times. These were witnessed by hundreds, captured on Japanese television, and even during public viewings.

Scientific tests at Akita University (by independent experts) confirmed: the blood was human Type B, while the tears and sweat were human Type AB (a detail many link to the Shroud of Turin and Eucharistic miracles). Perhaps the greatest sign was when Sr. Agnes was miraculously healed of her deafness, just as the Virgin Mary had promised.

Mary's messages echoed Fatima (1917):
- Pray the Rosary daily for priests & sinners.
- Offer penance to console the grieving Lord.

Mary's messages echoed Fatima (1917):
- Pray the Rosary daily for priests & sinners.
- Offer penance to console the grieving Lord.
- Warned of Church division ("cardinals against cardinals") and greater chastisements if humanity doesn't repent—fire from heaven worse than the Flood.

After thorough investigation, Bishop John Shojiro Ito declared the events supernatural on April 22, 1984, approving veneration of Our Lady of Akita.

In our divided times, her tears remind us: Mary weeps because she loves us. Let's respond with prayer and conversion!

Most Holy Mother of Akita, pray for us and lead us to your Son. 🙏

ROQUE HINAMON SI PBBM

Nagbigay ng matinding reaksyon si dating Presidential Spokesperson Harry Roque sa naging pahayag ni Pangulong Ferdinand "Bongbong" Marcos Jr. sa kanyang State of the Nation Address (SONA) hinggil sa paninindigan ng Pilipinas laban sa anumang pananakot o panggigipit ng mga dayuhang puwersa, kabilang ang isyu sa West Philippine Sea.

Sa isang pahayag, sinabi ni Roque: "Excuse me, Marcos Jr., kung gusto mong makipag-giyera sa Tsina, ipadala mo ang tatlo mong anak. I-conscript mo sila sa Armed Forces at sila ang manguna."

Ang naturang pahayag ay tugon sa naging paninindigan ni Pangulong Marcos na hindi magpapasindak ang Pilipinas sa harap ng mga hamon sa West Philippine Sea.

control his abilities. When his training is complete, Sloan shows him the "Loom of Fate", which has served for 1,000 years in supplying coded names of targets through deliberate imperfections in the fabric. The Loom identifies those who will create evil and chaos in the future, with Sloan responsible for interpreting the code.

After several successful missions, Wesley has an unexpected shootout with Cross, and accidentally kills the Exterminator. Sloan sends Wesley after Cross—and secretly gives Fox a mission to kill Wesley, saying that his name has come up in the Loom. Wesley realizes that Cross used a traceable bullet for the first time (as his previous kills were all untraceable). Wesley traces it to a man named Pekwarsky. He and Fox capture Pekwarsky, who arranges a meeting with Cross. Wesley faces Cross alone on a moving train, which Fox later causes to derail. While Cross saves Wesley from falling, Wesley shoots him. Before dying, Cross reveals that he is Wesley's real father. Wesley was recruited because he was the only person Cross would not kill. After free-falling into a river, Wesley is retrieved by Pekwarsky, who explains that Sloan started manufacturing targets for profit after his name appeared in the Loom. Cross discovered the truth, went rogue, and started killing Fraternity members to

Nakita ko na naman si Gloria Macapagal Arroyo na present sa Batasang Pambansa for the SONA of PBBM. Arroyo is the current congresswoman of the 2nd district of Pampanga. Every time I see Arroyo, I'm reminded of one of the reasons why the Philippines is so deep in corruption. Ang daling makalimot ang mga Pilipino. The "hello Garci" controversy should have marked the end of Arroyo's political career. But look at her now. Still holding a high and lucrative political position.

The Chosen
1h •

Before the sun sets, Jesus of Nazareth will be dead.

Season 6 captures the historic events of Jesus' final day through the eyes of those who love Him—and those who condemn Him.

The Sanhedrin calls it justice. Romans call it peace. Followers call it murder. But in the face of loneliness and death, Jesus stands resolute in His plan that has always led to one place: the cross.

Experience Jesus' final hours that changed the world forever. Season 6 begins streaming November 15 on **Prime Video**, and The Chosen Crucifixion releases only in theaters globally in Spring 2027.

On July 13, 1917, in Fatima, Portugal, Our Lady appeared to the three shepherd children and made a tender promise to the world:

"I promise to assist at the hour of death, with all the graces necessary for salvation, all those who, on the first Saturday of five consecutive months, shall confess, receive Holy Communion, recite five decades of the Rosary, and keep me company for fifteen minutes while meditating on the fifteen mysteries of the Rosary, with the intention of making reparation to me."

Among all the devotions Our Lady asked for in Fatima, the First Saturday devotion is the most neglected—yet it is one of the most powerful acts of love and reparation we can offer to her Immaculate Heart.

It is a special request from Heaven to console Our Lady for the sins of the world, the blasphemies against her, and the coldness of so many souls.

🙏 How to Practice the First Saturday Devotion:

- Go to Confession (can be within 8 days before or after)
- Receive Holy Communion
- Pray 5 decades of the Rosary
- Meditate for 15 minutes on the Rosary

- Receive Holy Communion
- Pray 5 decades of the Rosary
- Meditate for 15 minutes on the Rosary mysteries
- Do this for 5 consecutive First Saturdays with the intention of reparation

Many souls have received extraordinary graces and peace through this devotion — even at the moment of death!

Immaculate Heart of Mary, pray for us! 🙏
